In the case of semi-retirement, please note:

- 1 The application for a semi-retirement must be submitted at the latest 30 days after the reduction of the working hours.
- 2 An insured person can take semi-retirement. The first semi-retirement step can also be made after the regular retirement age, provided that the conditions of Art. 9.5 of the Regulations are fulfilled. Full retirement must be taken on the 70th birthday at the latest.
- 3 Semi-retirement presupposes a corresponding reduction in the insured person's percentage of working hours. Semi-retirement is not possible for insured persons who have a claim to disability benefits from the GastroSocial Pension Fund or who have applied for disability benefits from the Federal Disability Insurance.
- 4 The residual degree of employment must be at least 20%. If the remaining annual salary is below the minimum salary pursuant to Art. 2 para.1 BVG, the full retirement benefit must be withdrawn, subject to Art. 2 para. 1bis FZG.
- 5 Semi-retirement can be taken in a maximum of three steps, whereby each reduction must equal at least 20% of the full number of working hours. At least one year must pass between the individual steps.
- 6 If the number of working hours is increased again after semi-retirement was taken, the GastroSocial Pension Fund reserves the right to reduce the retirement benefits by the same ratio as the increase of working hours or to cancel the semi-retirement.
- 7 The retirement assets required to pay the retirement benefits comprise the same percentages of mandatory and extra-mandatory benefits as the total retirement assets.
- 8 The retirement benefit can only be claimed as a pension or as a lump-sum payment for the individual semi-retirement steps. Art. 9.2 of the Regulations applies in all other respects.
- 9 Please note that the GastroSocial pension fund does not guarantee the tax deductibility of the lump sum payment and does not take care of any clarifications. If you have any questions please consult the responsible tax authority.
